Celebrate the True Love that is Always in Bloom[®]

Nothing says "I Love You" as beautifully as magnificent roses. Like the love you feel, they are so vibrant, precious, and full of life. Even after they have faded, the memory of roses still touches your heart. But now these delicate symbols of love can last forever at the peak of their perfection! Seemingly alive with the vivid color and soft, delicate folds of a freshly-gathered bouquet, our *Always in Bloom*[®] centerpiece will become an everlasting symbol of romance. Complemented by the inviting cottage art of Thomas Kinkade, this bouquet says "I Love You" not only on special days, but every day—forever. Concealed within the faceted crystal vase

that holds the hand-formed flowers, long-lasting LED lights add a warm glow to the art and the crystal.
