

WASTEWATER TREATMENT PLANT OPERATOR I

The City of Cedar Falls is seeking applicants to certify and hire from a Civil Service list for the position of Wastewater Treatment Plant Operator I. Starting wage: \$22.761/hr. plus full-time benefit package. The successful candidate must possess the ability to: perform complex and responsible plant operator duties under minimal amount of supervision, and under general supervision, operate the facility on an assigned shift; perform minor and major plant repair work, maintain assigned treatment plant facilities; and perform related work as required.

For position, Civil Service, application, and documentation requirements, see full posting at www.cedarfalls.com/jobs Applicants meeting the minimum qualifications in the full posting will be invited to interview that will result in a Civil Service hiring list approved by the City's Civil Service Commission. Deadline for materials is 11-28-22 at 12:00 p.m.
